Mercedes-Benz Finance and Insurance

Mercedes-Benz Finance and Insurance, a division of DaimlerChrysler Services, presents to you an exclusive range of finance and insurance products. Designed and developed to suit your individual needs, our products complement your lifestyle while ensuring that your vehicle's value is kept in top condition.

We offer the following finance solutions:

- Instalment Sale,
- Choices,
- Finance Lease,
- Operating Lease, and
- Full Maintenance Lease.

An exciting addition to our finance products is the *Innovation Finance* option. Based on the Instalment Sale or the Choices finance product, *Innovation Finance* allows you the opportunity to make additional payments against the capital amount of your finance agreement, thus automatically reducing your monthly instalment payments.

Our range of insurance products starts with Comprehensive Insurance. This product is designed as meticulously as your vehicle to provide a full array of benefits. One of the outstanding benefits is the replacement of your vehicle with a brand new Mercedes-Benz in the event of a total loss within the first year of registration.

Our Value-Added Products include:

- Finance Protection,
- Deposit Protection,
- Shortfall Protection, and
- Warranty and Maintenance Extension Plans.

Besides qualified Business Managers located at your nearest Mercedes-Benz dealership, Mercedes-Benz Finance and Insurance has experienced consultants that are always ready to assist you at our Customer Service Centre based in Pretoria. Call us today on 0861 324 653, or simply send an e-mail to info@dcfs.co.za. To get more detailed information on our finance and insurance products, you can also visit our website by logging on to www.mercedes-benzfinance.co.za.
